To whom it may concern:

I, Alcir Gustavo Quintanilla Rodríguez, an engineer by profession and a professor at the Gerardo Barrios University, hereby give my recommendation to Leticia Raquel López Guerrero, who is my student, pursuing a degree in Engineering in Computer Systems and Networks and I have known her for 3.5 years. .

As a student she has shown respect to teachers and classmates, complete dedication to study activities and projects. She shows good skills, teamwork and availability in the tasks of the Faculty of Science and Technology and a great sense of responsibility.

She is an excellent person, with great charisma and social skills; Her strategic way of thinking makes her very apt to carry out any task. Because of her aptitude and attitude, she is very interested in improving herself. For what I am sure that she will become one of the best in what she dedicates herself or undertakes.

For the uses that the interested party deems appropriate, this letter is issued on the ninth day of the month of June two thousand and twenty-three.
